

"Toronto Humane Society - Infection Control COVID-19 Update" video

1. HOW TO WATCH IT VIA SMARTPHONE:

[CLICK HERE](#) (this is the link you will have received from Toronto Humane Society after signing up for your first workshop)

This is the screen you should see after logging in.

Click on **"Infection Control COVID-19 update"** (see where the arrow is pointing to)

Then watch the short 20 minute PowerPoint presentation, narrated by THS vet Dr Linda Jacobson
THAT'S IT!

2. HOW TO WATCH IT VIA DESKTOP:

[CLICK HERE](#) (this is the link you will have received from Toronto Humane Society after signing up for your first workshop)

Once you have logged in you will be taken to the "Home" page of the site.

See the below screen print: if the white arrow is pointing UP on the orange bar "Health, Safety and Bio-Security" (see where I have the blue arrow pointing), then click on the orange bar

Continued next page.../

This will expand the details under the orange bar so you will see this (see the blue arrows)

Click on “Infection Control COVID-19 update”

This will take you to the following screen.

Click on the “Go to course” orange button.

It will take you 20min PowerPoint presentation narrated by THS vet Dr Linda Jacobson

Once you've completed the video you'll see THIS on the screen (see where the blue arrow points).

THAT'S IT!
